

Setting up for Zoom Video lessons

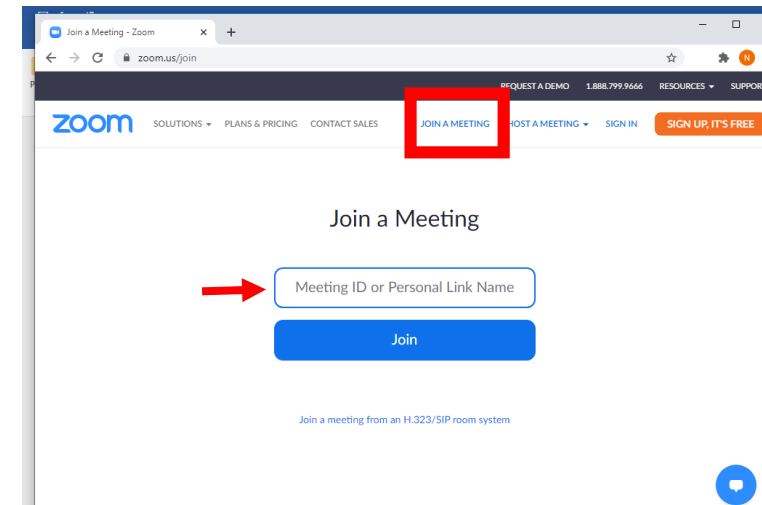

- Go to <https://zoom.us/>
- Click sign up its free:

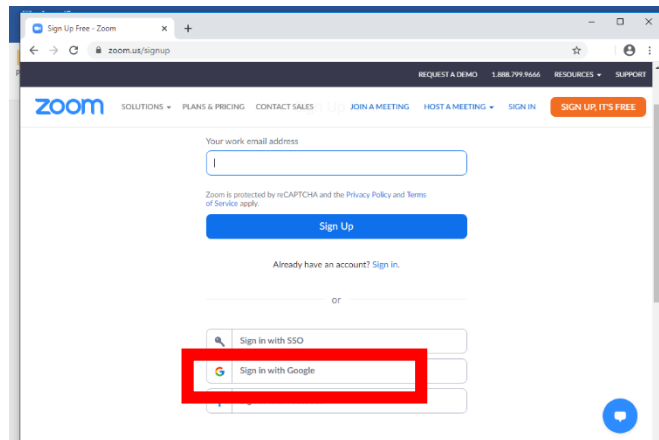

- After logging into Google you will get this screen. Choose Create Account

You are ready! When you click the meeting link your teacher sends or posts, you should be able to proceed directly to the room with the meeting passcode. You can always manually open the meeting on another device by going to join a meeting at the top and typing the meeting id and on the following screen the meeting passcode.

- Choose SIGN IN WITH GOOGLE:

- USE YOUR GOOGLE #@havasuoonline.org email address and password to login to google.
