This license is valid for five (5) years and only allows the educator to teach transitional bilingual courses in a Pre Kindergarten - Grade 12 setting and English as a Second Language (ESL) in Kindergarten - Grade 6.

An endorsement to teach a foreign language class (e.g. French, Spanish, etc.) can be added by passing the applicable foreign language proficiency test. This endorsement would allow the individual to teach the endorsed language in a Pre Kindergarten - Grade 12 setting.

If they so desire, the individual could also add an LBS1 (Special Education) endorsement to their ELS-TBE by passing the LBS1 (155) proficiency test and completing coursework in the following areas:

- Survey of the exceptional child
- General characteristics of children with disabilities within the LBSI scope
- General methods for teaching children with disabilities within the LBSI scope
- Psychological assessment of children with disabilities within the LBSI scope
