RULEVILLE CENTRAL ELEMENTARY SCHOOL

RCES TIGER BUZZ

Dear Students and Families:

Welcome to the 2020-2021 school year! Our commitment at Ruleville Central Elementary School is to provide a safe and positive learning environment that will empower students to become creative problem solvers, critical thinkers, proficient readers, productive citizens and lifelong learners. I am asking all parents and stakeholders to make a commitment to education. With all of us working together, RCES will have a successful and productive school year. Ruleville Central Elementary School will continue to work with students, parents, and the community to create a strong partnership, strong sense of school pride, mutual respect and appreciation for each other. This cooperation will ensure a successful partnership between parents, students, teachers and community members.

I am excited for the opportunity to serve another year as Principal of Ruleville Central Elementary School and I am eager to work with each of you. This will be an exciting and prosperous school year as we navigate through virtual learning while ensuring the safety of our staff and student body.

One Team One Dream

Latasha Carroll, Principal

Ruleville Central Elementary School

4th: Rokkel Webb

5th: Cordelio Scott

Teacher of the month:

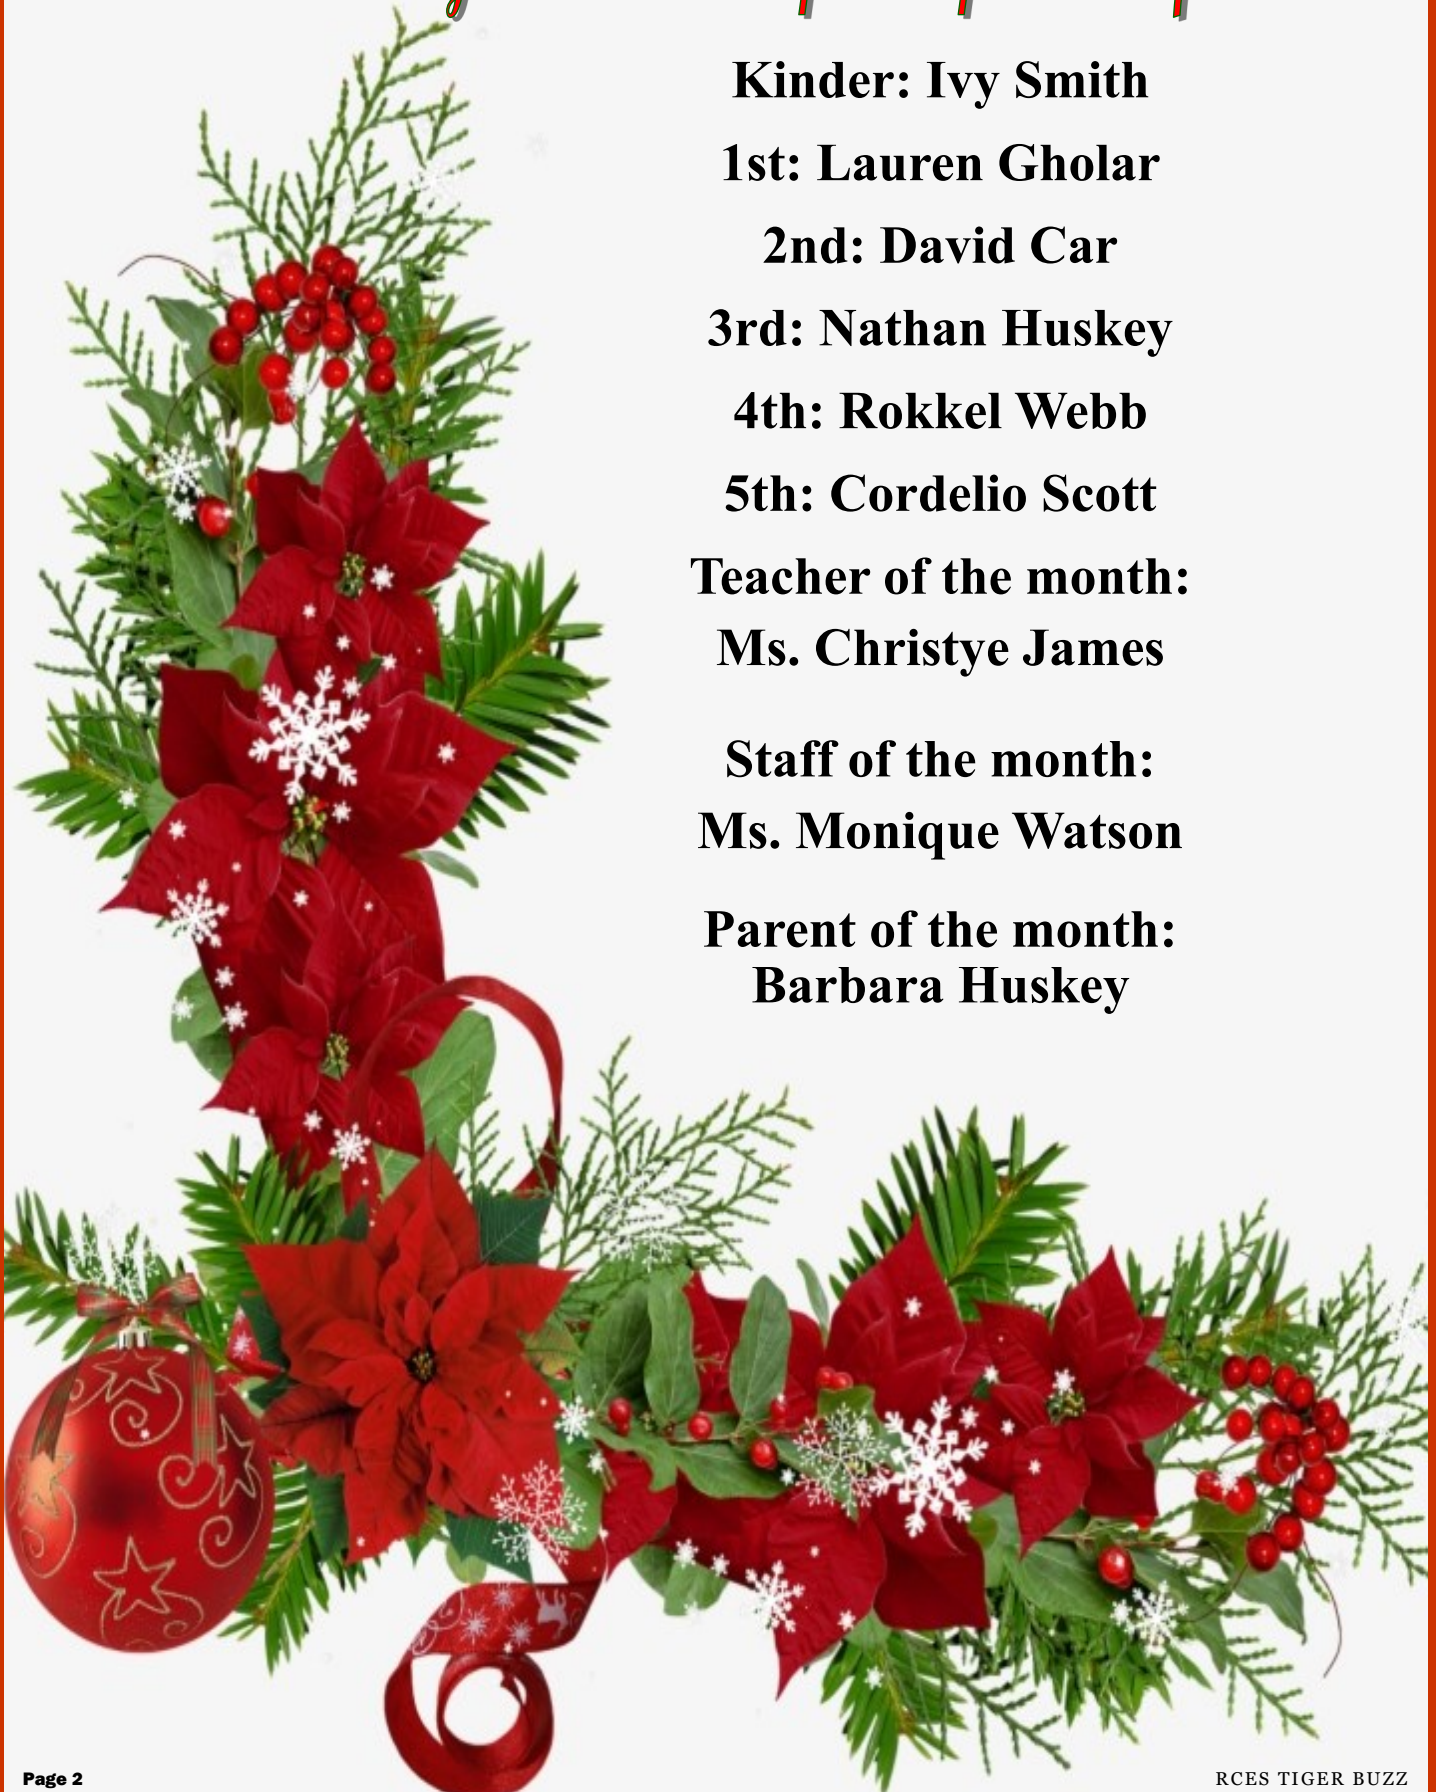

Ms. Christye James

Staff of the month:

Ms. Monique Watson

Parent of the month:

Barbara Huskey

STAY SAFE, WEAR A MASK!

As COVID-19 continues to spread across the country and the world, we all must remain vigilant. The changes we have had to make to routines and daily life are extremely hard, but these changes are even more important now and in the future. We must stop the spread of this new and dangerous virus. The more steps you and your family can take to prevent the spread of COVID-19, the safer you will be.

What do I do if COVID affects me during the holiday break?

If I test positive for COVID-19, I should quarantine for a <u>full 10 days</u> before returning to work and immediately notify close contacts.

If I am exposed to a person who tested positive for COVID-19 through close contact, WITHIN 48 HOURS OF THEM TESTING POSITIVE , I will quarantine for a <u>full 14 days</u> before returning to work.
--

I can return to work after quarantining 10 days from testing positive WITHOUT OBTAINING A NEGATIVE TEST RESULT.

I can return to work after quarantining 14 days from exposure WITHOUT OBTAINING A NEGATIVE TEST RESULT.

If I have a positive COVID-19 test, I do not have to quarantine or get tested again for up to 3 months as long as I do not develop symptoms.

<i>*Close Contact</i> means: in the presence of an individual at less than 6 feet for greater than 15 minutes CUMULATIVE throughout the day
