WARRIOR PRIDE

A self-respecting feeling of trying one's best at WAJ in every aspect of schooling; Academics, athletics, music, art, and/or extracurricular. The knowledge that one has tried their best in every aspect, no matter the obstacle.

“Seeing much, suffering much, and studying much, are the three pillars of learning.” **Benjamin Disraeli**

“What is defeat? Nothing but education. Nothing but the first step to something better.” **Wendell Phillips**

“Sports do not build character, they reveal it.” **John Wooden**

“Sportsmanship for me is when a guy walks off the court and you really can't tell whether he won or lost, when he carries himself with pride either way.” **Jim Courier**
