

ACCESSING STUDENT DATA VIA THE SISK12 PARENT PORTAL

Jennings School District provides an internet product called: SISK12 Parent Portal. This product will allow parents/guardians to use the internet to check various aspects of their student's records. This service is optional for your family.

An e-mail address is required in order to participate. The purpose of the e-mail address is to send you a confidential and personalized user ID and password, which will permit you to gain access to your student's data on the secure web server. The **ONLY** way to receive your user ID and password is by e-mail. **The school office cannot give it to you nor do they have access to your password.**

Parent/Guardians who want to access their child's data on the Jennings School District Parent Portal server must complete this form. The password will be e-mailed to the parent/guardian within 30 days of submitting the form after enrollment is complete.
