Greetings Scholars and Families:

I hope this correspondence finds you safe and well this academic school year. We are off to a new start full of changes and challenges that I am confident we will overcome. The Upper Elementary school team is up for the task and excited about working with you to ensure our scholars continue to be successful.

Although this is my first year as the Principal of the Upper Elementary school, I bring twelve years of educational experience in the capacities of Teacher, Instructional Coach, and Assistant Principal. I BELIEVE that student growth is the most important aspect of learning. I also BELIEVE that visibility, teamwork, and collaboration between home and school promotes a healthy school culture which empowers scholars to reach their academic and personal goals. Please join me in promoting these core values that my team and I BELIEVE are the key ingredients to success-

J- Journey to Excellence

C- Champion for Inclusion and Diversity

U- United Local and Global Communities

E- Empower Creativity

S- Self-Determination and Self-Discipline

Although Covid-19 has socially distanced us, we are JCUE strong no matter the distance! The Upper Elementary team is here for support and you are encouraged to contact us for assistance as you work alongside our scholar. Remember that we are a community of learners that BELIEVE in Collaboration, Teamwork, and Success.

Sincerely,

Cashoney C. Carter
