

Dear Potential Bok Partners:

Edward Bok Academy would like to take this opportunity to thank the community for its overwhelming support over the past twelve years. In particular, we would like to thank our Bok Partners for the 2019-2020 year. We are very excited about our pursuit of excellence in education. This letter is an invitation for your business/organization/family to become a Bok Partner and share in our excitement and success.

Bok Academy is focused on enhancing the classroom experience so that every student achieves his or her potential in the classroom and the community. Bok Academy, in collaboration with the parents, students, teachers and community, will provide a safe, challenging and fun learning environment in which every child will achieve academic excellence preparing them for the future challenge of a global society.
