OCTOBER 2019

MISSION

To Maximize all students' learning experiences by empowering them to achieve their full potential with the help of involved staff, parents, and community.

VISION

"At Drew Hunter Middle, we will ensure that ALL students are provided a learning experience that ensure them to flourish".

Greetings,

Oh my, I can't believe that we have one nine weeks under our belts! Students have taken exams and are preparing for a two day break next week on October 7th and 8th. With that being said, we are looking forward to an even better nine weeks the second nine weeks period. However, we cannot accomplish this without the help of each and every one—the parent, student, and teacher. It is vital that our students are learning each and every day to show the necessary growth by the end of the school year; therefore, we solicit everyone's help in ensuring that the importance of a valued education is stressed to our students. We are planning several events for our students, but they cannot and will not be successful if we do not work together to make things better for our students. We invite you to visit Drew Hunter Middle School and participate with us wherever you feel comfortable and deem necessary. That's all for now. I'll see you next month.

Tony Young, Principal
