

Student Class Dojo App in ClassLink

1. Log in to ClassLink with your student number and computer password.
Click on the Student Class Dojo App in ClassLink.

2. You must know your username and password. If you do not know this information, stop here and contact your teacher.

If you know this information, enter it as prompted. The app will remember your information after entering it the first time. ** If you are asked to install the ClassLink extension, please do this to enable the app to remember your password. Please use link if you need help.*
