**School is closed next Friday.**

*Hello, Families!*

*We will not know until the very last minute if we are not able to open school Monday and Wednesday due to reactions from the second dose of the vaccine. The staff members have been so extraordinary this year, working together and being here every day to support all learners. Thank you in advance for understanding, if I do need to hold a remote learning day. I will do my very best to keep school open.*

**NCES Family Check-In:** How are you and your family this week? We want to know. Click the link to let us know.

***Trimester 2 Report Cards:*** We will be sending home report cards with students on Thursday, April 1.

**Revised Travel Guidelines:** These are the same guidelines I shared with you Wednesday.

***Munson's chocolates*** should be picked up today in the semicircle drive at the front of the school between 3:15 (as soon as the buses leave) - 5 PM.

**Writer's Playground** at Sharon Playhouse: Click the link to read about a music festival this summer for talented writers, performers, directors and technicians.

**April Menus:** [Breakfast Menu](#) and [Lunch Menu](#)

***Greetings from the NCES Library and Mrs. Erickson:*** Each year, books are nominated for the Nutmeg Award by a panel of Connecticut children's librarians. This year's nominees are listed on the *Library* page of the NCES website (under *Students*). We have almost all of these titles in our library. To explore these and other great books, log in to Destiny Discover. Happy Reading!

Stay Safe and Well,
