Dear MCPSS Parents and Guardians,

First and foremost, I would like to thank you for your continuous support as part of #TeamMCPSS in helping our students be successful. The research is overwhelmingly clear: When parents play a positive role in their children's education, students do better in school.

I would greatly appreciate your feedback in our annual Title I Parent Survey. MCPSS will use the findings from this survey to develop new strategies to increase the effectiveness of parent and family engagement as we work together to achieve our district-wide purpose, which is to equip and empower graduates who are college and career ready.

Please complete the Title I Parent Survey, which is available here: <http://bit.ly/MCPSSParents>

Thank you.
