# Doctors. Therapists. Specialists.

Revisit the *Psychologist* visit

## Amwell is here to help

One in four Americans is affected by emotional distress at some point in time during their life, but only one in eight seeks care. From chronic concerns such as depression and anxiety, to recent stress caused by events such as grief, divorce, parenthood, or other major life changes, online psychology allows for reliable and convenient visits with licensed and highly trained therapists.

Seeing a psychologist can be convenient, all you need is a smartphone, tablet or computer. Getting started is easy:

1. Enroll – Creating an account involves only a few steps and can be done in a minute.
2. Schedule – Choose a time convenient to your schedule
3. Visit – Our secure visits range from 15 – 45 minutes.

## Three easy ways to connect to a doctor fast:

1. 1-800-CALL-DOC (225-5362)
2. Visit [www.amwell.com](http://www.amwell.com)
3. Download our app from the App Store or Google Play

**Make sure to enter Service Key MSSEHIP when you enroll!**
