

### The symbolisms of Pearls

Pearls symbolize wisdom acquired through experience. They are believed to attract wealth and luck as well as offer protection. The pearl is also said to symbolize the purity, generosity, integrity, and loyalty of its wearer.

The goal of VRHS Purple PEARLS is to see all of its participants graduate from VRHS with tools needed to be successful, resilient, caring women. Students who complete 2 or more years of successful participation and meet requirements for the organization will be eligible to receive an organization cord for graduation.

### About the Purple PEARLS

The mission of the VRHS Purple PEARLS is to provide female students at VRHS with an organization aimed at strengthening social and emotional wellness, developing plans to meet short and long term academic and career goals, educating students on etiquette and social graces, and the importance of service to their community.
