# School Accountability Report Card Reported Using Data from the 2017—18 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### About Our School

Welcome to C.A. Jacobs Intermediate School, home of the Cougars! As you walk through the doors of C.A. Jacobs, you will feel the warmth and welcome of the school that supports all students. Each year is dedicated to furthering and supporting the ongoing academic, personal, and social growth of our students. We work together to build upon our successes as well as in adapting to the changing needs of our students and school community. A key idea in our approach to student achievement is to carefully consider and address individual student needs. We believe all students can learn and that it is our collective responsibility to ensure that they all learn at high levels. We accomplished this through providing a challenging curriculum that is delivered in a safe environment by a dedicated, nurturing staff.

### School Description and Mission Statement (School Year 2018—19)

C.A. Jacobs Intermediate School is located in the city of Dixon which was founded in 1868 upon the rich farmlands of the Solano County. Linked with the rest of California in 1874 by the Southern Pacific Railroad, Dixon merged with nearby Silveyville residents to form what is today one of the most productive agricultural communities in Northern California. While historically an agricultural town, Dixon, California is now primarily a residential community of 18,000 for people who work in Sacramento, Davis, and the San Francisco Bay Area. While the city has experienced growth it remains a "small town at heart," whose residents pride themselves on the high level of community involvement.

C.A. Jacobs is the only middle school in the Dixon Unified School District which serves approximately 3,200 students K-12 in three elementary schools, one middle school, one comprehensive high school 9-12, and several alternatives programs such as Maine Prairie Continuation High School, the options center, Dixon Community Day School, and Independent Study programs. During the 2017-18 school year C.A. Jacobs served 7th and 8th grade students, and in the 2018-19 school year C.A. Jacobs served 6th, 7th, and 8th. Enrollment in 2015-16 was 534 students, 2016-17 523 students, 2017-18 531 2018-19 is 740 students.

C.A. Jacobs prides itself on being a culture that is building programs in intervention, and enrichment. The faculty, administration, and support staff provide an exemplary learning environment where students have access to programs targeted at their needs where a data rich environment is used to provide instruction where students greatest needs are. Academic learning is the primary focus of the school, but our staff operates on the principal that a caring environment that fosters self-esteem and individual development is the best road toward learning.

C.A, Jacobs Vision and Mission Statements

C.A. Jacobs vision is to close the achievement gap by preparing all students for college and career readiness and success in a global society.

C.A. Jacobs Mission is that Cougars are Safe, Respectful, and Productive.

## School Facility Conditions and Planned Improvements

C.A. Jacobs Intermediate Schools' campus was originally built in 1964. Modernization was completed in 2004 using State School Facilities Program and local Measure V general obligation funding in 2002/03. The school currently contains 16 permanent, and 9 portable classrooms, a band room, a gym, a computer lab, a multipurpose room, a library, and an administration building, blacktop area for basketball courts, soccer field, and a softball field. All school rooms/spaces have internet access and phones. 100% of our bathrooms are in working order. Cleaning Process - The principal works with the custodial staff to ensure that cleaning is maintained to provide a clean and safe school. The supervisor of maintenance and operations coordinates in-service training for the custodial staff. The district has adopted the CASBO Custodial Handbook and applied the cleaning standards and care of equipment for this purpose. Maintenance and Repair – District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and highest priority is given to emergency repairs. The Dixon Unified School District performs yearly safety inspections with the purpose of identifying and correcting any and all safety issues and concerns.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2016—17	School 2017—18	District 2016—17	District 2017—18	State 2016—17	State 2017—18
English Language Arts / Literacy (grades 3-8 and 11)	42.0%	40.0%	40.0%	42.0%	48.0%	50.0%
Mathematics (grades 3-8 and 11)	37.0%	44.0%	31.0%	34.0%	37.0%	38.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2018—19)

Parents play an important role at C.A. Jacobs Middle School through active participation and involvement in the school Site Council, English Learners Advisory Committee, Music Boosters, Parent/Teacher Organization, Back to School Night, Open House, and Parent/Teacher conferences. Parents are welcome to volunteer in classrooms and at school activities. C.A Jacobs Middle School also benefits from donations and partnerships with local businesses and services. C.A. Jacobs Parent/Teacher Organization helps to fundraise for events, volunteer at the school, and supports our staff and students throughout the year.

## School Safety Plan (School Year 2018—19)

The safety of students and staff is a primary concern of C.A. Jacobs Middle School. The school Site Safety Plan is evaluated and revised annually. Key elements of the Safety Plan are the school's physical, emotional, and cultural environment along with the Emergency Response Team. C.A. Jacobs Middle School maintains a disaster plan and a crisis intervention plan which lays out steps that are to be taken to ensure student and staff safety during a disaster or crisis. The school is in compliance with all laws and regulations pertaining to hazardous materials and state earthquake standards. Fire, disaster drills, and lockdown/school intruder drills, and shelter in place drills are conducted on a regular basis throughout the school year. Students are supervised throughout the day by teachers and noon duty supervisors. All visitors to the school must sign in first at the school office and receive a visitor badge.

C.A. Jacobs is currently training in, and utilizing Positive Behavioral Supports and Intervention (PBIS), which is a program based on providing students with positive supports and interventions systemwide, and has previously received training in Building Effective Schools Together (BEST). BEST is a program based on positive behavior supports that help schools develop and implement positive school rules, rule teaching, and positive reinforcement systems school wide. C.A. Jacobs runs student solution teams, and implements a No Bully system. Collectively C.A. Jacobs is working at addressing bullying, and providing means for students to approach any issue with supportive staff and in a caring environment.

## Professional Development

C.A. Jacobs has been heavily involved in Response To Intervention (RTI) in 2015-16, and 2017-18, and in 2018-19 refocused on assessment, and common instructional practices. C.A. Jacobs incorporated a system that allowed for re-teaching and re-assessment previously, and will be producing RTI systems within the day that work in conjunction with common assessments in 2019-20. Staff has gone to trainings, visited other schools, and produced school wide professional development in support of RTI and Assessment programs.

Advancement Via Individual Determination (AVID) has also been incorporated into C.A. Jacobs, and a site team has been trained, and AVID classes have been brought in to C.A. Jacobs. These classes are aimed at closing the achievement gap, and the C.A. Jacobs site team has led staff trainings on implementing these procedures school wide.

In addition to RTI and AVID, C.A. Jacobs has allocated time for staff to work in Professional Learning Communities (PLC), and has received training in specific areas with a focus on Common Core Instruction, and assessment. Student achievement is a target goal at C.A. Jacobs, and closing the achievement gap is central to that goal. The trainings in Common Core, Assessment, RTI, and AVID will be on going.
