AUG/SEPT

Our Motto: "Students first: any time, any place, no excuses".

Welcome to Ruleville Middle School where teaching and learning is the norm! I am extremely fortunate to lead a school with such dynamic children, a motivated and dedicated staff, and parents who work collaboratively to create an environment that fosters student and school success. This year will be an unprecedented year amidst the COV-19 pandemic. The Sunflower County Consolidated School District has made effort to provide the best and safest scenarios for all stakeholders to return safely to the school setting. Your child's safety and education is our top priority! We look forward to working together with you to make your child's educational experience a positive one even amidst this current health crisis.

Our motto is "Students first: any time, any place, No Excuses". As we begin this school year it is important to understand that our motto is supported by the implementation of the 3 P's that constitute our mission: "Positioning students and teachers into the best possible setting, Preparing students and teachers to meet the challenges of an ever-evolving global society, and Performing at the highest levels in all aspects of society". Our mission is strongly supported by our vision which states, *"We are where we need to be, doing what we need to be doing, so we can achieve success and greatness"*.

We strongly believe these efforts and initiatives will provide the foundation that makes Ruleville Middle School a beacon for future successes in the Ruleville community and the Sunflower County Consolidated School District.

Here's to a great year for all things Ruleville Middle School and the entire Sunflower County Consolidated School District.
