May 27, 2020

Parents & Guardians,

As the West Carroll Special School District plans to start our Summer Scholastic Activities Return to Action Plan we have made some information and forms available to you on the West Carroll Special School District website at www.wcssd.org. Please select the West Carroll Jr. Sr. High School option and then click the athletics tab to view these documents.

We have not started our face-to-face activities with our student athletes yet however, in the meantime there are other tasks needing to be completed during this transition time. To include each student athlete/member and their parent/guardian signing the COVID-19 DISCLAIMER allowing students to participate in activities associated with West Carroll Special School District's action plan. The TSSAA physical form can also be found on this page, as each student athlete will be required to have a current physical completed and submitted to each program's head coach. Information regarding tryouts and contact information for each program's coach can be found on this page as well.

The West Carroll Special School District will commence this plan after June 1, 2020. We have developed a plan that follows the National Federation of State High School Association (NFHS) guidelines that fosters a safe and clean environment for our instructors and students athletes. This plan can also be found on the district website under the athletic tab. The West Carroll Special School District desires to maintain a safe and healthy community while returning our students and instructors to our scholastic activities.

Our coaches/instructors are working diligently to ensure that we have plans in place to address the new norms in which we operate. We will continue to communicate updated information and we look forward to kicking off the 2020-2021 school year.

Shane DePriest
Athletic Director
West Carroll Jr. Sr. High School
