RE: 2021-2022 Transportation Rates

Dear Joseph:

Please find the attached rate changes for the FY 2021-2022 school year. In line with our previous discussions and the district's commitment to paying our company and drivers during COVID closures, we are not increasing rates for the 2021-2022 school year.

Below is an acknowledgement of the attached rates for 2021-2022 reflecting the 0.00% increase. Please sign below, retain a copy for your records, and return a copy for my files. If you have any questions, please feel free to contact me.

We look forward to serving the students and parents of the Rainier School District.

Sincerely,
