| **Question:** Can a spreadsheet list of current High School and Middle School classrooms corresponding with their new school rooms be provided?  
**Answer:** Yes. Please see Attachment “F”. |
| **Question:** What is being moved in a typical general classroom?  
**Answer:** The following is the scope we expect to be as a standard for those rooms:  
Gearhart ES Classrooms (18 total) – 30 student desks and chairs, 2 bookcases, and 10 – 15 boxes (packed and labeled)  
Broadway MS Classrooms (31 total) - 30 student desks and chairs, 2 bookcases, and 10 – 15 boxes (packed and labeled)  
Seaside HS Classrooms (27 total) - 30 student desks and chairs, 2 bookcases, and 10 – 15 boxes (packed and labeled)  
Any items left on classroom walls are not part of the move scope. This includes white boards.  
Classroom technology will be packed by District Staff and is included in the typical classroom box count. |
| **Question:** Are you requiring ram board in the old schools along with the new schools?  
**Answer:** No. |
| **Question:** Regarding the new school, is ram board requested in the classrooms or only up to thresholds?  
**Answer:** For now, assume ram board on gym floors. Plastic protection on floors for school main entry, hallways, and carpet areas. A walkthrough with selected mover prior to move will be scheduled to plan in detail needed protection. |
| **Question:** Are there any loading docks at the new school? If so, where are they located?  
**Answer:** There are no loading docks at the new school. Main entry is located on the east side of the building with drive up access for unloading. Other entries are |
accessible as well with drive up access. The elevator will be accessible for movers.

| Question: | Regarding PPE for construction zones, will you anticipate areas in which teams will need safety vest helmets and safety glasses? |
| Answer: | Currently, we do not anticipate movers to need PPE during the move. |

| Question: | Workdays/hours - are we limited to certain days and hours, or are we able to schedule our own times and days? |
| Answer: | Assume the typical work week of 40 hours. |

| Question: | Weight room - there was discussion of possibly needing to unbolt weight equipment and re-attach at the new school. Is there any more clarity on this? |
| Answer: | The District will unbolt and remove attached to the wall weight room equipment. Installation of equipment at new school with not be needed by movers. |

| Question: | Will any electrical hardwired CTE equipment need to be disconnected by the movers? |
| Answer: | The District will disconnect all electrical hardwired equipment prior to the move. |

| Question: | Can a floor plan of existing District Office be provided? |
| Answer: | We will attempt to provide a floor plan if one can be located. |
