

August 22, 2020

Dear Parents/Guardians,

The Nutrition Group would like to take a proactive step in educating the parents/guardians on the items in the cafeteria and the ingredients they contain. The safety of your child/children is our top priority so please review the attached list for any allergy concerns.

If your child/children have a food allergy, please review the Allergen Guide especially if they are purchasing their lunches through the cafeteria. **Please note, regarding the allergen guide, under the label column if it's blank it means there was no information for this product including any possible allergens for the product.

In addition, Wellness Wednesday (Elementary/MS) days are sample days for all students even if they don't purchase their lunch from the cafeteria.

If you have any questions, please don't hesitate to contact me at 724-736-9507 or email, kcalderone@fraziersd.org.

Thank you,

Kelly Calderone

Food Service Director
Frazier School District
