January 28, 2021

Bok South Family,

We are informing you that a positive case of COVID-19 has been identified at Bok Academy, South campus. We are working in consultation with the Florida Department of Health in Polk County (DOH-Polk) and are diligently following CDC guidelines to mitigate the spread of the virus. **Students who were identified as having close contact received a call out this afternoon (Thursday, January 28, 2021) at around 4:30 PM, a letter was mailed to the address on record, and a hard copy of the letter was given to your student. Your student may return to campus on Thursday, February 11, 2021.** If your student develops symptoms, please contact the Polk County Health Department or your family physician. We appreciate a courtesy call to our clinic as well.

We are committed to making your student's learning environment on campus as safe and healthy as possible. We are doing everything possible to ensure we continue to follow CDC guidelines to ensure the health of our Bok Knight family. Thank you for your ongoing patience as we work through these trying times. Together, we will overcome this.

Respectfully,

Dr. Damien Moses, Principal  
Edward W. Bok Academy
