

K-3 Daycare

During Comprehensive Distance Learning, the Knappa School District is offering child care for grades K-3 five days a week, FOR FREE during normal school days and hours. We have partnered with community partners to provide two convenient locations for you. These sites will be staffed by qualified, caring Knappa School District employees. Each location will have up to two employees for 10-15 students. The program will end when the students are back in school. The purpose of the program is to allow for adult facilitated distance learning for your youngest learners. Enroll soon as space is limited. We are able to provide care for 15 students at one location and 10 at another site. Enrollment is first-come, first-serve.

Brownsmead Grange-**M-F**

Crossroads Community Church-**M-W-TH-&-F**

Tuesday's the students that attend Crossroads will go to Knappa Assembly of God
