

To protect the morals, health, and safety of students, it is the policy of Wendell School District No. 232 to deny entrance onto the premises or conveyances owned or leased by a school and prevent loitering on a public way within five hundred (500) feet of the property line of any district school or any building posted with a notice that it is being used by a school to registered sex offenders or persons required to register under the sex offender registration act of whom the district has knowledge. District officials will make reasonable efforts to identify registered sex offenders residing within the district's boundaries or who have children or wards enrolled in the district.

The board authorizes the superintendent or designee to enforce this policy, including the decision to grant or deny any request for an exception, and/or impose other restrictions consistent with enforcing this policy.
