### LEAF RIVER INSCAPES: PHOTOGRAPHS

**BY JAMIE ROBERTSON**

New Gallery Exhibit @ NYM Cultural Center

The New York Mills Regional Cultural Center is now featuring in its gallery the photographs of Jamie Robertson of Wadena MN. "Leaf River Inscapes: views from the Minnesota interior" is a series of photographs that find the beauty in an ordinary place and create a link between the artist and the natural world in rural Minnesota.

In his artist statement Robertson says, "These images aren't a documentary or objective reflection of the region. On a very basic level they provide evidence that I have lived here. They are my personal interpretations of my relationship to this place and they are grounded in this place. I want the photographs to encourage reflection, memory, and vision in everyone who sees them in a gallery, online, or on a wall in their own home. I hope they provide a means for each of us to engage in a process of creative work, building our own personal sense of place."

"Leaf River Inscapes" will be in the Cultural Center Gallery April 21 through May 22, 2021. A reception and artist talk will be held Friday May 7, 2021 from 4-6pm. Refreshments will be served. All are invited and welcome to attend. All COVID precautions will be followed; please wear a mask, maintain physical distance, wash your hands and if you are ill, please stay home.

This activity is made possible, in part, by the voters of Minnesota, through a grant from the Five Wings Arts Council, thanks to a legislative appropriation from the Arts and Cultural Heritage Fund.

This show is free to see and open to the public. Gallery and Gift Shop Hours are Wednesdays and Thursdays 10-7, Fridays 10-5 and Saturdays 10-3. Private viewing and tours can be arranged by contacting Cheryl Bannes at 218-385-3339 or [cheryl@kulcher.org](mailto:cheryl@kulcher.org).

### EARLY CHILDHOOD SCREENINGS ~ 'ECS'

As of January 2014, the Early Childhood Screenings will be conducted by the Lakes Country Service Coop. The Community Education office will be doing the scheduling and the screenings will be completed at the New York Mills School. This screening is required by the school for entrance into PreKindergarten and required by Minnesota Statute 121A.17 for entrance into Kindergarten unless an Exemption form is filled out. It is an opportunity for you to review your child's growth and development and to follow up on any health or learning concerns. The Early Childhood Screening is a FREE screening and includes a developmental assessment, vision and hearing test, height and weight measurements, immunization and health history review and a parent visit. It is NOT an examination to determine readiness for school. Its purpose is to identify conditions that might interfere with your child's ability to learn and to assist parents in developing strategies to help their child succeed. Please call Deb in the Community Education office to schedule an appointment at (218) 385-4203. Please leave a message if there is no answer and she will get back to you as soon as an appointment is available.
