

Hilltop Headlines

November 6th, 2019

Hawk Pride

Greetings to the "BEST" students, parents, faculty, and staff of Hilltop Elementary School. We are now in the second nine weeks of this school year and enjoying your child at the "TOP" daily. We will continue to focus globally on student achievement. Faculty and staff members are committed to providing a quality education, implemented daily with fidelity. We ask that you join and support us as we continue to focus on excellence and achievement. Together, we "SOAR" high.

HES School-wide Fundraiser

It is our goal to provide students and teachers with positive incentives and curriculum needs throughout the year. This goal is attainable by school-wide fundraisers. We will have one school-wide fundraiser for the 2019-2020 school year, sponsored by Cherrydale Fundraiser Group. All proceeds will benefit the purchase of a new digital marquee.

Technology Instruction

Parents, we have purchased Education Galaxy, a technology instructional program, designed to provide additional instruction in all content areas. Education Galaxy is very engaging and provides teachers and parents academic readiness for each child. We ask that you support this purchase by downloading the Education Galaxy Connect app and allowing your child to practice in all content areas and complete assignments given by teacher.

Communication

It is our goal to create an environment committed to clear communication and student success. Please feel free to call or schedule a conference with us to share any concerns you may have.

School Council

Welcome all PTO and School Council Members! Our quarterly School Council Meeting will be held on Thursday, Dec. 12th, at 7:30 am in the Media Center. We hope to see you there!

UPCOMING EVENTS

Safety Is "TOP" Priority!

Please remember when entering and leaving the premises:

- Be courteous to others
- Drive slowly
- Park only in designated spaces
- Refrain from cell phone usage while in the moving line

Intake/Dismissal.

Students may enter the building at 7:45 a.m. Students must go directly to the cafeteria until 8:00 a.m. Students are then directed to their classrooms. We are encouraging parents to allow students to walk to class independently. We have staff on duty to direct students to class. Teachers are preparing for the day and monitoring all students during intake and dismissal.

HES dismissal begins at 3:30 p.m. During this time, we ask all parents to please follow all dismissal procedures as stated in our handbook. There should not be any changes made to our Silent Dismissal Program after 3:00 p.m.

Transition

Our teachers and students have settled for this school year and we are looking forward to greatness. During intake, please allow students to walk independently to their classrooms ensuring safety, on task, and quality instruction.

"We S.O.A.R."

Parents, we are continuing with the implementation and modeling of HES Positive Behavior Interventions and Support Plan. Safety and ensuring high levels of learning are daily priorities for our school. This year, we have added a Student PBIS Leadership Component to our plan. We are currently in Stage 2: Emergent of PBIS implementation and looking forward to moving to Stage 3: Operational. With your help and continued support, we can reach this goal.

Hilltop Community - Parent Invite

"Let's Chat"
