Dear Business Leader:

We would like to offer your company a unique and cost effective way to reach the New Milford community and beyond with your products and services.

Work

New Milford High School has state of the art sports facilities and is home to the student athletes and youth of New Milford. Through our NMHS Green Wave Banner Program, you can reach thousands of New Milford and surrounding area families and give your business access to the important market represented by these potential customers. Joe Weiser Stadium hosts multiple sports and community events in both the fall and spring seasons, where this program can give your company full year visibility within our community.

Achieve

This program is being run by the New Milford Public Schools and NMHS Athletics Department with input from the New Milford Turf Field Advisory Council. Funds raised from this program will be targeted to help fund turf field replacement years down the road.

Value

We have program options that start as low as \$500.00 and provide your company with banner advertising customized to suit the needs of your business. The attached information describes a number of options available to you to participate in this program. All program levels include a highly visible company banner that we will create and place at our 2500 seat Joe Weiser Stadium.

Empower

Please take the time to consider the positive effects your participation will have on our athletics program, our community and your business. We thank you in advance for helping to make NMHS Athletics "First Class" for our students and the entire New Milford community. If you have any questions, please contact any of us and we will be pleased to provide you with more information on any these offerings.
