Dedication

We the Seniors of 1981, would like to dedicate this annual as a memorial of Wallace Hillman, who was born October 13, 1963 and passed away six weeks later. Although we never got to know him, we're sure he would of been a good friend and classmate.

We would like to say a special thanks to our parents for all the love and understanding they have given us throughout our school years.

To Mr. Guenther, for helping us on the annual and being a special friend and teacher.

To Mr. Coyle, for being our class advisor for the past three years of high school.

And a very special thanks to Mr. Tom Blackmore, who gave us a second and better start at life.
