

Music Lesson Plans, Week 2 (04/13 – 04/17)

****All internet usage should be done under parent supervision****

Pre-K – 2nd Grade

**Pre-K students: You are not able to access Google Classroom, so please look at the document titled "Pre-K Distance Learning Materials" for the links/videos I am referring to.*

*This can be found in the Music Lessons section of the PLES' website.**

- With Quaver Music, you are able to move through lessons at your own pace. This week, please focus on lessons 6-10. If you would like to do more or less, that's totally up to you! You can also continue from last week; feel free to go at your own pace! For instructions on how to sign up if you have not already done so, please refer to the Music Lessons section of the Pine Level website.
- In my Google Classroom, find the "Make Your Own Instruments" tab and watch the video. WITH parent supervision and approval, choose an instrument to make with things you have around your house! Does it have to be exactly the same as the video? Nope! Let's see some creativity. ☺
- On my YouTube channel (the link is also on a separate page on the PLES website), watch the videos for "Because" and "I Know a Shy Fellow Who Swallowed a Cello." These are also in the "Mrs. Anglin Reads" folder in my Google Classroom.
- Sing and dance along to the following videos of your choosing on my Google Classroom page! You will find them in the "Dance-Alongs" and "Sing-Alongs" tabs.
- Feel free to continue to explore Quaver Music, my YouTube channel, and my Google Classroom! TONS of resources, games, and activities are available!
