The Fannin County Board of Education met in a work session with the following members present: Bobby Bearden, Chair; Lewis DeWeese, Vice Chair; Terry Bramlett; Chad Galloway; and Steve Stanley. All members were present.

The meeting was called to order by Bobby Bearden, Chair.

Sarah Finch, Principal of East Fannin Elementary School, and Keith Nuckolls, Principal of Fannin Middle School, shared presentations with the Board of school happenings.

Mark Henson, Superintendent, reviewed the agenda for the upcoming Board meeting on Thursday, February 9, 2017, at 6:00 p.m.

Board members and attending school employees left the central office and met at the Ada Street property to participate in a groundbreaking ceremony for the new FCSS Agricultural & Environmental Science facility. Mr. Henson welcomed everyone and expressed his satisfaction with how the project was proceeding. He acknowledged what a great job Danny Shinpaugh has done coordinating this project, what good community partners Feed Fannin has been, and that he is looking forward to working with Southern A&E as our architect and Carroll Daniel, our construction manager at risk. FFA students and agriculture teachers from the high school and middle school were able to attend. Many other community partners and several school system employees attended making it a great turnout.

There being no further business to come before the meeting, a motion was made by Terry Bramlett, seconded by Chad Galloway, to adjourn subject to being called into special session by the Chair when deemed necessary. All members voted yes; motion carried.
