8. **Request for Locally Board Approved Course**

   Bamberg-Ehrhardt High School requested the approval for a Math Ready course for elective credit beginning with the 2016-2017 school year. The Readiness Course is designed to assist students who are assessed as “unready” for postsecondary education. Eventually, this course will become a state offered course.

   Trustee John Hiers moved and Vice Chair Chris Wallace seconded to approve the request of the addition of a Math Ready elective credit course at Bamberg-Ehrhardt High School. The motion passed 5-0. [Board Packet Enclosure]

   Parents will be informed in advance that this is an elective credit course.
9. **Requests: “Raising Kings for Outreach” and “Go Tell Evangelism Crusade”**

Ms. Whitney Thomas representing her ministry, “Raising Kings for Outreach”, requested permission via telephone to use the football stadium on July 19, 2016, from 9:00 a.m. – 12:00 p.m. to help support single mothers who are raising boys. During this time, there will be a doorway fee and vendors. The ministry is a 501-C3 organization.

**Superintendent Schwarting** noted that this request is a little contrary to the Board’s Policy because the policy doesn’t allow money to be collected for events. [Board Packet Enclosure]

Mr. Kent Kirkland, spokesman for the “Go Tell Evangelism Crusade”, along with Mrs. Michelle Grimes (Child Evangelism Fellowship), Reverend Chris Murray (Light of the World Baptist Church), Reverend Charlie Lucas (First Baptist Church), and Rufus McCaskell (Cornerstone Baptist Church) were in attendance to request the use of the Leon Maxwell Stadium (gym depending on the weather) to hold a crusade on October 9-12, 2016. Also, the Sunday following these dates they would like to return and have access to water for baptism. The crusade will be a community crusade with churches from several denominations and ethnic backgrounds participating. Rick Gage operates the crusade.

In response to the two requests, the Board responded by stating that the administration would consult the District’s legal counsel, Boykin and Davis, for advice and Superintendent Schwarting will notify them of the results.

10. **First Reading:**

- Policy GBEEA – Social Media
- Policy IKA – Grading/Assessment Systems
- Policy IKA-R Administrative Rule
- Policy JBAB – Student Gender and Orientation

Superintendent Schwarting reviewed for first reading Policy GBEEA – Social Media (structure for employee use of social media.), Policy IKA – Grading/Assessment Systems (grading and assessment of student academic progress – a mandated change with the current grading system for the high school which can also be used at the elementary and middle schools), Policy IKA-R Administrative Rule and Policy JBAB – Student Gender and Orientation (to foster a learning environment that is safe and free from discrimination, harassment, and bullying and to assist in the educational and social integration of transgender students.). [Board Packet Enclosures]

Attorney Charles Boykin noted that it is not likely that Policy JBAB - Student Gender and Orientation can be altered. Teachers will be asked to take the lead in making sure this policy is enforced because they are better prepared to keep everyone informed. Anyone who may have specific questions regarding this policy is asked to contact Attorney Charles Boykin or Attorney Shawn Eubanks.

Superintendent Schwarting noted that significant questions regarding Policy JBAB – Student Gender and Orientation may be brought back to the next Board. Also, if the policy is approved, the administration will provide proper training and legal counseling within the training so everyone will understand the legal ramification of it.
11. **Monthly Financial Report**  
Finance Director Devon Furr presented the Financial Report for April 2016. All items overspent were listed in the report. The most recent item overspent is Data Processing Services due to the resignation of the IT Director. The interim person fulfilling this position is a subcontractor who is now working more days. This overage will be offset by what was budgeted for the prior IT Director. As requested, “etc.” will no longer be used as descriptive items in the financial report. Instead, all items will be identified individually.

Board members were requested to schedule a Budget Work Session, perhaps, the first week of June 2016. Suggestive dates should be emailed to Devon Furr or Mrs. Jannette Stokes at the District Office.

12. **Visitors’ Comments**  
Mr. Ken Ahlin noted that there was a change in coaching status today (May 16, 2016) and his son’s name was mentioned in the complaint. He also expressed concerns regarding Policy JBAB – Student Gender and Orientation being enforced by the state. He believes this is a confusing issue. He noted further that if the District approves this policy, it will lose some children – included would be his, and it wouldn’t be due to anything that administration did wrong. He asked that some thought be put into this policy. He is sure that there are some other avenues that can be provided to accommodate these type students. He doesn’t hate these type people – they are just different. He also noted that 23% of the population will have to suffer if the policy is approved and he suspects that he is not the only parent who feels this way.

Attorney Charles Boykin noted that the question about funding is a question but he suspects that the aggression will go both ways. His counsel to everyone is to put forth time to at least understand much about the situation.
