

What is a School-Parent Compact?

It is a written commitment describing how all members of a school community—parents, teachers, principals, and students—agree to share responsibility for student learning. This compact helps bridge the learning connection between school and home. This agreement is jointly developed by all stakeholders and is reviewed/ revised annually based on feedback from all stakeholders. The compact will be discussed during parent-teacher conferences.

Parents are welcome to contribute comments at any time.

Parents can provide feedback on the compact at any time during the school year. Please call (478) 953-0450 or visit our website at www.eses.hcbe.net for more information on the school-parent compact.
