SCHOOL PLAN FOR SHARED STUDENT ACHIEVEMENT

What is Title I?

Sumter County Elementary School is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement plan.

How is it revised?

Sumter County Elementary School invited all parents to attend our annual Parent Input meeting to review and revise this parent and family engagement policy, as well as the school-wide plan, our school-parent compact, and the family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by mail to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during several parent meetings and activities during the school year including our annual Stakeholders' Input Meeting.

Staff will also share best practices during regularly scheduled faculty meetings.
- * Partner with early childhood programs, middle and high schools, college and career ready resources or organizations, parent resource centers, or other programs (as applicable) to help prepare parents and their children for successful school transitioning.

- * Communicate with all families and the community on a regular basis regarding school-wide events and activities, through phone messages, social media, and flyers.
- * Work with our parents to develop relevant trainings and helpful presentations to educate our staff on the importance of parent and family engagement and how to support student learning.
