\_\_\_\_\_, 2019

Your child, \_\_\_\_\_, has accumulated 8 or more unexcused absences. Houston County Board of Education's Attendance Policy and the Georgia Compulsory Attendance Law, O.C.G.A. 20-2-690 dictate parents and students go to court on this issue, however, in lieu of going to court, this issue can be resolved if you and your child review the Project Reconnect power point class that will be available on-line through the HCBE website. You are required to review the slides, and sign the appropriate form to confirm your participation.

***On-line Project Reconnect Class through the HCBE Portal***

Failure to complete the on-line class will result in a notification to the Department of Juvenile Justice and or Magistrate Court of Houston County. This may require you to appear in court for a hearing on a date determined by the appropriate Judge.

Please contact the school social worker if you have any questions, **478-273-1131**

Sincerely,

*Dr. Alicia Campbell*  
Coordinator of Student Services

*Judge Deborah Edwards*  
Juvenile Court Judge
