The DeSoto County School District provides all teachers, staff and students in ALL grades with a Microsoft email account and access to MyVRSpot. MyVRSpot is the leading video management system for K-12 education. Teachers, students and staff easily upload, manage, share, create and close caption videos and multimedia in the MyVRSpot platform.

**One Complete Platform**

A simple yet robust platform to manage the ever-expanding video and digital media needs of your school district.

**Select Usertype**

- School Administrator
- ✓ Teacher
- User Plus
- Student

**INTEGRATIONS**

- G (Google)
- S (SharePoint)
- Cloud storage icons
- P (PowerPoint)

**Record Video**

**Record Screen**

**Request Caption**

The image shows a laptop displaying the MyVRSpot web interface. The interface features a grid of video thumbnails and various management tools. Callouts highlight key features: a user selection dropdown menu, integration logos for Google, SharePoint, and social media, recording options for video and screen, and a captioning request button.

## PLEASE NOTE:

**Before you use MyVRSpot, you should know that the district administrator can view ALL VIDEOS uploaded from student accounts REGARDLESS if they have been deleted by the student at all times. #BeAResponsibleDigitalDitizen**

### Instructions to log in:

1. Click on the **DCS Quick Launch Page** at <http://www.dcsdms.org>.
2. Click the **Microsoft** button and use your **Office 365** email address and password to log in.

### WHAT CAN YOU DO WITH MYVRSPOT AND HOW DO I DO IT?

MyVRSpot provides specific Video Tutorials about all of the program's features, (in order and categorized), so the MyVRSpot Video Tutorial is for you! Just follow the simple directions below to find these videos and start learning quickly:

1. After logging in to MyVRSpot, simply navigate to the **black**, horizontal navigation bar at the **top right side** of the MyVRSpot window and click the Training Videos button (it looks like a Youtube icon).

MyVRSpot Training Videos button

2. Navigate to the either the **category** of your choice or just enjoy the videos in order!
