# Class of 2005

Written By Pat Hughes

To the senior class of 2005  
We gave you lots of good advice.  
You didn't always take it,  
But now your senior year is done  
And you know you will make it!

Your life will take another path  
And now you'll live your choices,  
And chances are in future days  
You still will hear our voices!

We tried to lead you down that path  
And make it straight and smooth.  
You'd tear it up with swerves and spins,  
Then stumble in the grooves!

And now, you move on with your life,  
And as you look ahead  
And make decisions, take a chance,  
Remember what was said!

The many words we spoke to you,  
The things we tried to share,  
The guidance that we hoped to give  
Was all because we cared!

It won't be long, you'll leave this school  
And you'll pursue your goals.  
In college or the world of work  
You find your different roles.

So as you graduate this year,  
We wish you all the best!  
May all your hopes and dreams come true,  
May you have much success!

And in the future when you hear  
Our voices in the night,  
With that advice you've heard before  
Just smile and say, "You're right!"

**Class Motto:**  
We all take  
different paths  
in life, but no  
matter where we  
go, we take a  
little of each  
other  
everywhere.

-Tim McGraw

We had a little boy with blonde curly hair, and when he spoke it was with authority. You had chubby cheeks, liked motocykes and especially MACaroni. Now you're a senior, and want to fly like "Top Gun," well go for it. Find a way to live doing what you love, and remember to fly by-and stop for a while.

## 2005 Trip to Spain

In March of 2005 the members of the Spanish Club traveled to Spain. Five of their 10 days in the country were spent with a Spanish host family. They got to see the magnificent and historic sites in places such as Madrid, Segovia, and the beautiful Spanish countryside. Family stays were centered near the city of Ciudad Real, with people staying in Campo de Criptana, Daimiel, and Villarrubia de Los Ojos. The trip was a great opportunity to experience another culture, meet new people, and improve language skills.
