Board President Heinz welcomed comments from the community members.

Amy Johnson shared her son's bullying situation with the board. The situation is still not completely resolved but she wanted the Board and community members to pay attention to not only their own children's concerns, but the students' concerns as well.

Marilyn Everly was angered by her belief that the Board had lied to her and other community members at the Safety Summit the previous evening. She believes that they are not doing enough to handle situations (like Amy Johnson's) and are not keeping the community appropriately informed. She wants the Board to meet more than once a month so that more community members can be involved and more issues addressed and taken care of.

Ted Riggerbach inquired if Thompson is no longer confused about the High School Principal position. Hoerr informed Ted he (Ted) was the only one confused. Thompson apologized for being wrong about being confused in the first place; he was never confused.

Sonya Beecher requested that the Board and Mr. Richardson implement a Resource Officer / Specialist in the District per the recommendation of Sheriff Asbell. The High School and Grade School students partake in drills, but it is not often enough. The students are taught an acronym during emergent situations, but there needs to be repetition. A communication plan needs to be entertained sooner than later. Parents really need a "heads up" when threats are made. Updyke mentioned how the public relations committee has been meeting to figure out the best mode of communication and Mr. Richardson reminded her of the survey that will be sent out. Also, how is the community going to be better informed? Until the last Board meeting, she knew nothing about the possibility of employing a High School Principal.

Phil Molleck and Marilyn Everly shared their dissatisfaction of the Board and that Mr. Richardson will not be taking a pay cut.

At 8:38 p.m. Updyke moved and Thompson seconded to adjourn the April 18, 2018 regular board meeting of the Brimfield CUSD #309 Board of Education. Motion carried
