

Hello parents and students,

I hope all is well and you all are staying safe. First, I just want to say I miss y'all very much! This is not how we expected your last 9 weeks of 5th grade to go. I am praying all of this is settled soon so we can all enjoy a little more time together before you soar into SIXTH grade! Parents as always I am just an email or phone call away. If there is something you or your child needs help with, please do not hesitate to call, text, email or FaceTime me. I am attaching some resources to help with the transition that has taken place. I love you all and hope to see you very soon!

Love,

Ms. Saxton :)

If your child does not remember their log-in information, I can get it to you.

Also, if you do not have internet access, some companies are offering free internet for a period of time.
