BCIS Parent Teacher Organization

Being a good parent often requires long hours, gray hairs, and lots of prayer. One of the hardest parts about the job is that you usually have to wait for years and years to be truly appreciated for what you do.

However, along the way, children do warm out hearts,

show us love, and strengthen our spirits. The reward is when we see them growing and benefitting from all that we do.

We are proud to rejuvenate our PTO. Officers for this upcoming year are as follows:

President-

Sharon McKinnon

Vice President-

Naimah Williams

Secretary-

Racquel Chambers

Treasurer-

Willie Mae Akings

From the Desk of Mr. James

Welcome to another exciting and opportunistic school year!

September is a very critical month in the mentoring and nurturing of our students.

As our teachers review and remind them of rules, regulations and study habits, we also embark on new challenges that will enhance the overall development our students academically and socially.

We will continue our focus on improving our writing skills with the incorporation of the four-squares writing method in all core subjects. We will also challenge our students in math to ensure that they are progressing towards becoming college and career ready.

Parents, guardians and community

volunteers, please become more involved in school

initiatives, extra-curricular activities and school culture in general.

Just remember this famous quote:

What the best and wisest parent
WANTS FOR HIS OWN CHILD,
that must the community want for

ALL ITS CHILDREN.
