September 15, 2020

Dear Parents and Guardians,

Last evening the School Board directed us to implement a return to school plan for our students. We have chosen a staggered approach in order to properly prepare and train our students. This correspondence is to inform you of the start dates for each respective grade level so that you can plan accordingly. Also, in order for us to properly prepare, please complete the updated survey that is included in this correspondence or by accessing it through our district's webpage. Your response is needed to ensure that we have the most current information in order to plan for a safe and successful return.

A couple of things to consider while completing our survey:

1. Students and staff will be required to wear a mask while on the bus and in school. Mask breaks will be provided. (This is a PA Department of Education/ PA Department of Health mandate).
2. Students who choose to remain in our Virtual Academy and continue with remote learning will be required to follow their regular schedules as if they were physically present in school.
3. The district will make every effort to provide as much social distancing as possible between students/ students and students/ staff while in class and on district transportation.

The dates listed below represent the staggered return schedule as directed by the Board of School Directors.

- **Grades Pre-K-2-** September 23, 2020 - September 25, 2020
 - All other grades will continue with remote learning
- **Grades 3-5 –** Week of September 28, 2020- October 2, 2020
 - All other grades will continue with emote learning
- **Grades 6-12-** Week of October 5, 2020 – October 9, 2020

****These dates are subject to change depending on a spike in transmission within the district/ and or county.**

Thank you for your continued support,

William R. Henderson III
