## Parent “Fabulous” News

### Remote Instruction for All Students

January 4 - 8

### Face-to-Face Students Return to Class

January 11

### MLK Holiday - No School

January 18

### Second Quarter Ends

January 22

### Third Quarter Begins

January 25

## IMPORTANT INFORMATION

### Attendance

Remote Students: Teachers use Schoology to take attendance for remote students. Students are required to log into Schoology each day and complete their daily assignments. If your child is absent, please send an excuse within 3 days of the absence in order for the absence to be excused. You may send the excuse via email, Schoology or Class Dojo.

Face-to-Face Students: Students who are face-to-face will be marked absent if they are not present at school. If your child is absent, please send in an excuse within 3 days of the absence in order for the absence to be excused. You may send the excuse via email, Schoology or Class Dojo.

### Second Quarter Assessments

Second Quarter ends on January 22. All assignments and assessments must be completed no later than January 22. Students will receive a zero for any assessment that is not completed by January 22.

We are asking that parents check the Schoology grade book for each class to make sure that your child does not have any missing grades.

## iReady Reading and Math

January 25 – January 29

Students will take the iReady Reading and Math Mid-Year Diagnostic January 25 – January 29. Teachers will send out reminders throughout the week, but we are asking parents to work with their student to make sure this is completed. This diagnostic assessment is not a part of your child’s quarterly grade, but it is used to identify your child’s strengths and weaknesses in order to develop the best online instruction for your child. This is why we ask parents to allow students to complete the diagnostic independently. As stated, it does not affect a student’s grade, but is used to provide the best individualized instruction for our students.
