Highlights from Letters to Power 88

- I just want to thank you for being on the air all the time and always playing uplifting music -especially music that draws in teens - like me. You make worshiping something new and alive! I am so thankful for you guys at the station.
- I have been in church most of my life but in Christ for 5 years. I had struggled to know Christ for much of my time in church but I could never reconcile my life with the gospel. At the age of 44, I was listening to David Jeremiah on your station. He told a story in his broadcast that put Christ into perspective for me, I was saved, and 9 months later I was baptized. My life & eternal destiny are so much better because of your station. Thank you. Sorry it took so long to start giving. Pensacola, FL
