Acacia Connection

Mrs. Klassen was our chapel speaker this past week. She shared with elementary students they were created for three purposes. We are created to do good works. We are to love God and love our neighbors as ourselves.

Second graders are excited to be learning cursive. They practice their letters at the whiteboard.

Mrs. Linscheid introduced our bus drivers at the beginning of chapel. Two of our drivers were unable to attend. As a thank you to our bus drivers each was given a poster signed by all the MLC students and a gift card.

On Mrs. Fast's recess day, she allowed students in a designated area to throw snowballs at each other's snow boots.

Library day is Thursday.

DIFFENDOOFER DAY IS FRIDAY, MARCH 5TH, We would like elementary students to dress up like a story book character. Students may change into their costume at school.

Parent/teacher conferences, March 11th

Speech Meet, March 19th
