Instructions to Applicants for Other Positions

(Read Carefully)

We appreciate your interest in the Franklin County Schools. In order to facilitate the application process, please read and follow these instructions.

1. Your application is considered complete when we are in receipt of the following:
 - a. The application form completed in its entirety. (Complete addresses and phone numbers must be included where requested).
 - b. Official transcripts of all academic work completed. (Please attach transcript if you have completed any university level work. If not, attach high school transcript, copy of diploma, or GED.)
 - c. Proof of valid license, when applicable.
2. All applications will be reviewed for completeness. Complete applications will be considered for initial screening and/or interviews depending on system needs, number of eligible applicants, etc.
3. All applications are reviewed, considered, and kept on file for twelve (12) months. Individuals who wish to keep their application active must notify Human Resources; it is the applicant's responsibility to keep their application current.
4. Tennessee State Law requires all applicants applying for any position in a Tennessee Public School to undergo a background check by the Tennessee Bureau of Investigation as well as other background checks.

An employee may begin work before the results of the background check have been returned to the school system. However, if the results are deemed 'unsatisfactory' (an arrest may be unsatisfactory) employment will be terminated.

5. Franklin County Schools requires satisfactory results from a 'Pre-Employment Drug Screen' at the cost of the school system. Additionally, a completed physical is required within six (6) weeks from initial employment at the cost of the employee.

The Franklin County School System requires, after an offer of employment has been made and accepted, but prior to commencement of employment duties, each employee to present the original copy of two (2) proofs of identification (from approved lists - a driver's license and social security card are most commonly presented), for the completion of the required pre-employment paperwork.

If a reduction in force (RIF) is required because of insufficient funding or other unexpected circumstances, the process will be completed in accordance with all applicable local Board policies, negotiated contract, and state and federal laws.
