

# TIME TO JOIN THE HUNTINGTON MIDDLE SCHOOL BANDS

## WHAT IS BAND?

A daily Connections class you can choose to join in sixth grade. We teach all of the instruments of the woodwind, brass and percussion instrument families. Sorry, no string instruments. **NO EXPERIENCE is needed.** We teach you all you need to know. **Band is inclusive and all students are welcome, including virtual students.**

## LEARN MUSIC

Learning music is a lifelong activity that will enrich your life. Music adds meaning and value to who we are and reinforces language, math, science, and social studies. Students who learn to play an instrument or sing often academically out perform their non-musical peers.

## MAKE FRIENDS

Join the largest group on campus and become friends with the best and brightest students. Become a member of the biggest and most diverse team you can join.

## PERFORM AND TRAVEL

We love to perform! Our students give regular concerts in a variety of settings, including school assemblies, local evening concerts, music festivals, Six Flags over Georgia, Walt Disney World, and many other places in the state and across the country.

## BE ACTIVE IN AND OUT OF OUR SCHOOL

Our band students participate in countless clubs, all middle school sports, academic competitions, robotics, many outside activities, and are successful in all of those areas.

## BE CHALLENGED AND SUCCEED

Our students constantly grow as a musician at a pace that matches their interests and skills. **Our students are among the best musicians on their instrument in the county, area, and state.**

## IS IT SAFE TO BE IN BAND DURING COVID?

We follow all of the latest scientifically-recommended safety guidelines, including industrial-grade air purifiers in all rooms, bell covers, social distancing of six feet or greater, and a thorough daily sanitization protocol. **Currently, we have 183 students safely participating in face-to-face band.**
