HSA Meetings

The Home and School Association (HSA) is the SJRCS **parent organization**. The HSA works to form and support a strong family-centered environment through continued parent involvement. We organize a variety of social and community-building events, assist with the needs of the school, and support the faculty and staff. We help make the school fun!

**We invite all parents to be involved in their children's education at SJRCS by supporting the efforts of the Home and School Association (HSA).**
