A. Budgets

Two main budgets- Title 1 & Instructional Budget Both budgets have designated areas that they fund. Title 1 budget must be used for specific allotments. We also have a general fund which pays for the after school program, extra lunchrooms, monitor and other student related activities. One item was the bouncy house for the students for their hard work in our school being STEM certified. We also receive other funds through fundraisers and school adult money-grants.

Our school had a savings when Dr. McGee started over 10 years ago and she strives to keep that savings account to meet unexpected needs of students and teachers and to insure our school is financial sound.

B. Parent Action Team shared decision making

Mrs. Roseboom presented a PREZI on shared decision making. A title 1 document was made available to all stakeholders in the commons area and all were asked to complete surveys to help make improvements or keep what we have been doing. She also addressed past survey results. The feedback from our stakeholders was more favorable than in the past. We also had more parent involvement at events.
