EXPERIENCE and PLACEMENT on schedule

- Employees new to district will be placed on the schedule accordingly:
Class I will be credited 5% of the column base for each year of direct experience, in or out of the district up to 10 years.
Class II & III will be credited 3% of the appropriate column base for each year of direct experience, in or out of district up to 10 years.
 Placement on schedule contingent upon verification of information provided on the application and supporting documents.
- Employees returning to a coaching position with continuous district employment shall be granted credit for all district coaching experience in the same sport. The salary to be calculated at the rate of 5% for Class I and 3% for Class II & III for each year of experience not to exceed the class maximum amount.
- Employees moving laterally to the right will retain their previous salary, provided they served at that salary during the previous school year and provided that salary does not exceed class maximum for the new position.
- Employees moving laterally to the left will receive the greater of: (1) previous fiscal year's salary OR (2) base salary plus 5% for **Class I**, or 3% for **Class II** for each year of experience up to 10 years OR (3) applicable board increases to previous fiscal year salary provided they served in a similar position during the previous school year AND that the salary is equal to or greater than the entry amount and does not exceed the maximum. For FY 2012-13, Class I personnel to be calculated using the greater of (1) or (2) above.
