

Opportunities to Volunteer

We welcome and encourage parental engagement. All volunteers are required to have a background check in order to participate in some areas.

There are several ways for parents to give of their time and talents. Opportunities such as chaperoning events, tutoring small groups of students and proctoring for tests are just a few.

Parent Resource Center

Parents are encouraged to visit our Parent Resource Center. The Center is located in the Front Lobby on the wall outside the office. Please contact our Parent Engagement Coordinator for more information.
