Narrative

Bids or information requests must reference this 470 number and should be emailed to and acampbell@hatchschools.net, pcabral@swrecnm.org and bidsnc@e-ratecentral.com.

Please note that the categories of BMIC and MIBS are selected only to cover the equipment described in this Form 470 and attached documents in the event that USAC considers a component, such as a license, to be BMIC or MIBS.

Subject to contract restrictions, services may be reevaluated for cost effectiveness at any time during the year. Please refer to the attached specifications document for information regarding the equipment requested. Please note that the district is willing to consider equipment that provides the same functionality. If the bidder wishes to offer alternative makes and models of the same or different brand, documentation must be submitted to demonstrate that the equipment is functionally and technically equivalent to the requested equipment. All bids must reference and identify clearly a valid purchasing vehicle for use by New Mexico Public Schools, including but not limited to CES contracts and state master contracts.

Please refer to the attached documentation for further instructions on how to respond. Responses should include a reference to the purchasing vehicle quoted.

State and Local Procurement Restrictions

Please see the attached document(s) for full submission instructions.

As required by E-rate rules, all bids in response to this Form 470 must offer the Lowest Corresponding Price ("LCP") see <https://www.usac.org/e-rate/service-providers/step-2-responding-to-bids/lowest-corresponding-price/>. Bidders proposing equipment whose prices may increase depending upon new U.S. government tariffs imposed on foreign imports are encouraged to (a) identify such products in their bids, and (b) propose an acceptable methodology for limiting price adjustments over the life of the contract. Bidders proposing to temporarily loan equipment for product demonstration and/or evaluation purposes are required to clearly state that such loans are of limited duration. Product demos extending beyond thirty (30) days must be explicitly authorized by both parties and provided at a fair market rate.
