

ROBERT C. HATCH HIGH SCHOOL EMPLOYEE OF THE WEEK  
MARCH 15 - 19, 2021

Hello! I am Rebecca Campbell and I am humbled to have been chosen as R. C. Hatch's Employee of the Week. I am in my 17th year as an educator and I have had the honor of spending all 17 years with the many wonderful faculty, staff and administrators at R. C. Hatch. I have taught 4th, 1st, and Kindergarten students. I am currently in my 3rd year of teaching Pre-K and this is where I'd like to stay! I have been married to my high school sweetheart, Roger, for 30 years and we have 4 children: Kimberly, Allen, Melanie, and Allison. In addition to being blessed with a daughter in law and her three fabulous children, we have recently been blessed with our first grandson, Jackson Allen Campbell. (I am always happy to share pictures of him! Just ask!) I graduated from Thomasville High School in 1990 and began college at Livingston University (now The University of West Alabama). Between jobs and having children, I finally finished my B.S. in Early/Elementary Education in 2004; Masters of Education in 2008 and I am currently pursuing an Education Specialist degree in Elementary Education. I am a member of Fairhaven Baptist Church where God has called me to serve in many positions including interim youth pastor, sound booth operator, youth Sunday school teacher, nursery worker, and custodian. Serving Him and others brings me great joy! When I am not spending time with my family or volunteering at church, I enjoy binge watching comedies, traveling, baseball games (Go Braves), and football games (Roll Tide). The quote "You can't go back and change the beginning, but you can start where you are and change the ending" by C.S. Lewis reminds me daily that it's never too late to start or restart on the path to reaching your goals.
