

School Council Meeting November 20, 2019

Members Present: William Wilson Rebecca Walker Tim Mosley Beth Stuerman Nikki Sears
Janna Barker

Review of minutes of last meeting.

Introduction of Council: Mr. Wilson

SMOSS Plan: Mr. Wilson talked about the new plan and shared that the scores came in and we dropped but still had very high growth. He discussed each goal as well as the action steps that are correlated with each goal. He explained that the staff formulated the action steps and the BST voted on which ones would be our focus for 1-18.

Mr. Wilson discussed the success that Russell is having with ISTATION this year and how we saw growth with reading on the Milestones.

Concerns of Council: Mr. Wilson assured the council that she was working on the parking lot situation and that it is in the books for next year. Another concern was presented by Mrs. Walker. She asked about adding a key fob entry to all the doors. Mr. Wilson has contacted Mr. White with BOE maintenance about what can be done since the company no longer exists.

Adjourn

Mr. Wilson and the committee adjourned the meeting and gave the dates for the future meetings:

Future Meeting Dates

Respectfully submitted,

Rebecca Walker
